Bride-to-be who survived terrifying gun attack by her ex votes in WEDDING DRESS en route to church

The image shows the top portion of a newspaper page from the Mirror. It includes the newspaper's name, navigation links for news and elections, and a large headline about a bride-to-be who survived a gun attack.

#NonFatalStrangulation

I played a significant part in influencing UK Government to add NFS to the DA Bill as a standalone charge. I was part of a team who presented evidence to The House of Lords and The Government.
